

## Announcing our Newest Benefit with AUSA

As part of our continuous commitment to the strength of EANGUS, we are thrilled to announce EANGUS's expanded relationship with the Association of the United States Army (AUSA). AUSA will provide us with its considerable expertise in conference management to increase the number of exhibitors at our Annual Conference in Charleston, WV. This will provide us with the resources needed to support our members and programs. EANGUS, as an Association Member in AUSA, is able to extend this partnership to our members in the form of a 1-year membership in AUSA starting December 31, 2017.

This new offer gives you additional member benefits, such as a digital subscription to AUSA's professional development publications, like ARMY Magazine and AUSA News. The full range of AUSA member benefits is on their website at [www.ausa.org/benefits-services](http://www.ausa.org/benefits-services). If you are already a member of AUSA, this membership will be in addition to your current AUSA membership.
