

Draft Resolution 19-8

For

MNGEA / EANGUS Resolutions Process

Date: 22 April 2019

POC Making Input (name, e-mail, phone): Marcus Erickson
Chapter/Area

Category (Joint, ARNG, ANG): Joint

Type Resolution - update

Relating To - Tax Incentive for Employers

Background -

Membership in the National Guard and Reserve is beneficial to the State of Minnesota in countless ways. Reserve Component members are twice a citizen. Ready to defend the State and Nation at a moments' notice, and still contributing to the state GDP. Ready for support in natural disasters and any other requests from the Governor, State Legislature, the President and Congress. To offset the burden imposed on Minnesota Businesses who allow employees to perform training and duty to stay at a high level of readiness to support all of Minnesota

Proposed Recommendation -

Request the State Legislature to provide tax incentives for employers to employ active drilling Guardsmen and Reservists in order to offset the burden imposed on business owners.

Resolution #: 19-8 Date Rec'd: _____ Disposition: recommend adoption
